Product datasheet
E3700TCHF

HW Device connection socket E3700TCHF for timber construction

Order number: 7360073
Type: E3700TCHF

Installation boxes - Fixed in timber construction

- Installation box with robust housing
- Fastening by means of TC claws that anchor themselves in the wood
- Airtight due to 2-component membrane technology
- Easy to install due to tool-free cable and pipe entry
- Integrated cable restraint for NYM cables
- Cost-effective, standard-compliant solution for solid wood, cross-laminated timber and hybrid constructions
- Simple and quick assembly

Dimensions

Depth	62 - 62 mm
Diameter	68 mm
Internal depth	60 mm
Milling hole diameter	Ø 68 mm

Properties

Colour	White
Degree of protection (IP)	IP30

Technical features

Cable entry 3x1.5²	2
Cable entry 5x1.5²/3x2.5²	2
max. cross section	2,5 mm²
Pipe entry ≤M25	2
Suitable for sheet thickness	≥ 10 mm

Certificates & standards

REACH	true
RoHS	true

Accessories

Equipped with	None
