NVB

Connector NEPTUN

Order number: 7290217
Type: NVB

Connects NEPTUNs for unlimited installation space

- Provides enough space for any kind of through-wiring
- For more than 4 rows 48 HP wiring space
- High flexibility for installation in protected outdoor areas
- Arbitrary and infinitely combinable
- IP65 protection class is maintained

suitable for: NEPTUN

Dimensions	
Height	86 mm
Length	215 mm
Width	71 mm
