Product datasheet
EPS20-MULTI

TIE Thermofix socket box EPS20-MULTI

Order number: 7810041
Type: EPS20-MULTI

Energy efficient and time-saving in processing

- Large time and cost savings
- Quick and easy installation
- No additional sealing and insulation work required
- Multiple fastening options
- Homogeneous, free of thermal bridges, compact frontage
- High individual and overall stability
- Full integration into the frontage
- No discolouration or condensation on the frontage, no mould or algae

suitable for: Insulation layer 80-200mm

Dimensions

Depth	205 mm
Height	184 mm
Width	184 mm
